David Brown International Ministries Mission Report December, 2024

Dear Friends and Partners,

I hope you had a great Thanksgiving holiday surrounded with family and friends! Thanksgiving has always been my very favorite holiday...well, ever since I became an adult. Kids obviously favor Christmas. LOL! I love thanksgiving. It's all about friends, family and food...three of my favorite things!

Kari and I just returned from an 8 day Mission trip to Honduras a few days ago. It was a great trip and very fruitful. We had great fellowship with Pastor Roberto Ventura who pastors the great Gerezim Church in Tegucigalpa. He and his church leaders have planted more that 250 churches from New York to South America along the Atlantic seaboard. He's a great leader and a great friend. Here we are enjoying dinner with Pastor Ventura and his family!

We were also able to have a wonderful visit with Pastor Luis Sorto and his son Danny Sorto and their families. Luis and Danny pastor 23 churches out in the country from their base in Zambrano, Honduras. We contribute financial support to their work. (Thank you Partners, for helping us do this!) We taught, mentored and evangelized in both of these ministry organizations.

While in Honduras we had the privilege of

1. Teaching my Seminar, “Kingdom Keys to Healing Ministry” to Gerezim Church Pastors and Leaders. (This seminar teaches ministers how to minister divine healing and see healing manifestations occur in their churches and ministries.)
2. Discipling pastors and churches in both groups concerning the central message of “The Kingdom of God”.
3. Conducting several Salvation-Healing Miracle Services. God was so good to grant healing miracles confirming His Word with signs following. Several gave their lives to Jesus as well!

This lady in the photo below was one of many receiving healing. She was instantly healed of severe arthritis pain in her hands. Praise God!!

Pastor Roberto Ventura invited me to continue training his organization's Pastors and Leaders in Leadership and New Testament ministry. This invitation is an honor for sure. His organization is a great Kingdom building fellowship of ministers and churches and the Lord has spoken to me that training young ministers is a major part of my calling at this time. Please pray that I'll be able to fulfill God's call on my life concerning this.
